Is the case report ethical?: Yes

Is there any missing information that you think must be added before publication?: Yes

Is this case worth reporting?: Yes

Is the case report persuasive?: Yes

Does the case report have explanatory value?: Yes

Does the case report have diagnostic value?: Yes

Will the case report make a difference to clinical practice?: Yes

Is the anonymity of the patient protected?: Yes

Comments to authors:

I congratulate the authors on their efforts- i believe that the paper is now acceptable for publishing. Two minor points: page 6 line 9- wording and 's' missing on the word months. page 6 line 31 the sentence is unclear 'Despite the severity of the patient's condition before treatment and THE FACT THAT SEVEN YEARS MUCH TIME HAD ELAPSED..' should say months.

Quality of written English: Acceptable

Declaration of competing interests:
